You only need to complete the below for travel arrangements being claimed that were not arranged by a travel agent.

Your policy covers you for amendment or cancellation, whichever is the less (subject to policy limits and the terms and conditions of the Policy Wording). Firstly you need to work out how much it would cost you to amend your journey (e.g. to travel at a later date) vs. the non-refundable amount you won't be able to get back if you cancel the journey. In most cases it is cheaper to amend your journey rather than cancel. If you have not made any changes to your travel yet as a result of a potential claim under this section, please phone us and we will guide you.

Fraud includes claiming for items that you have never owned, claiming for items that were not lost or stolen, inflating the amount of your claim or providing false or misleading information about how the loss occurred. Lodging a claim that has been fabricated, inflated or overstated is a fraudulent act. All cases of fraud will be reported to the Police and can result in imprisonment.

Please submit this form and all supporting documents directly through to Cover-More Travel Insurance rather than to your customer.

We cover the commission you had earned on the booking (subject to the policy limits). In order to calculate this we need to know how much the customer has paid to you and the nets paid to the booking provider i.e. wholesaler, airline or cruise company. This information is not shared with customers. Any enquiry will be directed back to the consultant.

NB: We do not cover any additional agency cancellation fees you charge your customer, or additional monies held by your agency that are due to be refunded to the customer.

Please also make sure you have provided your customer with the option of amending their travel plans rather than cancelling. The policy covers the lesser of amendment or cancellation.

Remember to make a copy of all documents submitted for your Customer in case they become lost in the mail.

Did you know that many airlines offer a cancellation waiver due to the death of a passenger or close family member?

Please ensure you check the airline terms and conditions as many airlines offer this waiver even on non-refundable tickets, with the submission of the death or medical certificate.

Here is an example of an airlines waiver in regards to death:

"waiver permitted for death of a passenger/an accompanying passenger/immediate relative as defined in general rules/legal guardian or ward as validated by a death or medical certificate".

Check the terms and conditions relevant to the customer's other bookings to see if they are entitled to this refund as these need to be applied for prior to submitting a claim form to Cover-More.
